J. Payment Terms: Unless otherwise specified in the Scope of Services or otherwise agreed to in writing by City of Sunset Valley, payment terms for the City are Net 30 days upon receipt of invoice after receipt of goods or services. A 5% retainage will be held from each invoice until the completion of the project. Pay applications must be submitted to the Public Works Director for approval and processing for payment. Sunset Valley will pay based on percentage of completion at the time of pay application submission pending verification from the Public Works Director. The work performed in accordance with this contract shall be paid for using lump sum and unit pricing. This price is full compensation

for all tasks listed in the bid submitted by the vendor and must include all necessary fees, charges and bonds needed to complete this work. Sunset Valley will NOT pay any fees to the vendor other than the agreed upon bid price.

K. Liquidated Damages: Should the CONTRACTOR fail to complete the requirements set forth in the scope of work, Sunset Valley will suffer damage. - ii. The CONTRACTOR shall pay the City of Sunset Valley liquidated damages of \$1500 per incident where the CONTRACTOR fails to repair damages that are caused by the CONTRACTOR and/or subcontractor(s). L. Warranty of Products and Services: All products furnished under this contract shall be warranted to be merchantable and good quality and fit for the purposes intended as described in this bid, to the satisfaction of City and in accordance with the manufacturers specifications, terms, and conditions of the scope of work (Appendix A), and all services performed shall be warranted to be of a good and workmanlike quality, in addition to, and not in lieu of, any other express written warranties provided.

3. Indemnification: Bidder agrees to defend, indemnify and hold harmless the City of Sunset Valley, all of its officers, agents, employees, appointees and volunteers from and against all claims, actions, suits, demands, proceedings, costs, damages and liabilities, including reasonable attorneys' fees, court costs, related expenses for personal injury (including death), property damage or other harm for which recovery of damages is sought, suffered by any person or persons, that may arise out of or be occasioned by Bidder's breach of any of the terms or provisions of any contract awarded as a result of this solicitation, or by any negligent or strictly liable act or omission of the Bidder, its officers, agents, employees, or subcontractors, in the performance of an awarded contract; except that the indemnity provided for in this paragraph shall not apply to any liability resulting from the sole negligence or fault of the City, its officers, agents or employees, and in the event of joint and concurrent negligence or fault of the Bidder and City, responsibility and indemnity, if any, shall be apportioned comparatively in accordance with the laws of the State of Texas, without waiving any governmental immunity available to the City under Texas law and without waiving any defenses of the parties under Texas law. The provisions of this paragraph are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

IN SUBMITTING A RESPONSE TO THIS RFP, THE RESPONDENT AGREES THAT IT WAIVES ANY CLAIMS IT HAS OR MAY HAVE AGAINST THE CITY, THE CITY'S EMPLOYEES, OFFICERS, AGENTS, REPRESENTATIVES, AND THE MEMBERS OF THE CITY'S GOVERNING BODY IN CONNECTION WITH OR ARISING OUT OF THIS RFP, INCLUDING, THE ADMINISTRATION OF THE RFP, THE BASIS FOR SELECTION, THE EVALUATIONS OF THE RESPONSES, THE METHOD USED FOR SELECTION, AND ANY DISCLOSURE OF INFORMATION REGARDING THE RESPONSES OR EVALUATIONS. APPENDIX D

Implementation of House Bill 1295

Implementation of House Bill 1295 Certificate of Interested Parties (Form 1295): In 2015, the Texas Legislature adopted House Bill 1295, which added section 2252.908 of the Government Code. The law states that a governmental entity or state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties to the governmental entity or state agency at the time the business entity submits the signed contract to the governmental entity or state agency. The law applies (with a few exceptions) only to a contract between a business entity and a governmental entity or state agency that either (1) requires an action or vote by the governing body of the entity or agency before the contract may be signed or (2) has a value of at least \$1 million. The disclosure requirement applies to a contract entered into on or after January 1, 2016.

Changed or Amended Contracts: Form 1295 is only required for a change made to an existing contract in certain circumstances: (1) if a Form 1295 was not filed for the existing contract, then a filing is only required if the changed contract either requires an action or vote by the governing body or the value of the changed contract is at least \$1 million; or (2) if a Form 1295 was filed for the existing contract, then another filing is only required for the changed contract if there is a change to the information disclosed in the Form 1295, the changed contract requires an action or vote by the governing body, or the value of the changed contract increases by at least \$1 million. As required by law, the Commission adopted the Certificate of Interested Parties form (Form 1295) on October 5, 2015. The Commission also adopted rules (Chapter 46) to implement the law. The Commission does not have any additional authority to enforce or interpret section 2252.908 of the Government Code.

Filing Process: A business entity must use the Form 1295 filing application the Commission created to enter the required information on Form 1295 and print a copy of the completed form. Once entered into the filing application, the completed form will include a unique certification number, called a “certification of filing.” An authorized agent of the business entity must sign the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct. The completed, printed, and signed Form 1295 bearing the unique certification of filing number must be filed with the governmental body or state agency with which the business entity is entering into the contract.

Acknowledgement by State Agency or Governmental Entity: The governmental entity or state agency must acknowledge receipt of the filed Form 1295 with the certification of filing, using the Commission’s filing application, not later than the 30th day after the date the governing body or state agency receives the Form 1295. The Commission will post the completed Form 1295 to its website within seven business days after the governmental entity or state agency acknowledges receipt of the form. Changes to Form 1295 Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after

January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an “unsworn declaration.”

What type of contracts are exempt from the Form 1295 filing requirement under the amended law? The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- A sponsored research contract of an institution of higher education;
- An interagency contract of a state agency or an institution of higher education;
- A contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract.
- A contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity;*
- A contract with an electric utility, as that term is defined by Section 31.002, Utilities Code;* or
- A contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.* The newly exempt contract types are marked with an asterisk.

Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case? In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018.

Will my date of birth and address appear on the TEC’s website when I file the form? No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 Tex.
