

Weatherization Rebate Program

The goal of the weatherization rebate program is to make existing homes more energy efficient. Austin Energy and Texas Gas Service also provide rebates toward a variety of weatherization projects that can also be used in conjunction with Sunset Valley's rebate program.

ENERGY CONSERVATION

- Weatherization is one of the most cost effective ways to conserve energy. The City is offering a variety of rebates from basic weatherization to providing additional insulation.

ELIGIBILITY

- **Applicant:**
 - Must be a resident of Sunset Valley.
 - Residents can apply for combinations of the above rebates with a yearly cap of \$1,425.00 per address.
 - Funds are available on a first come first serve basis.
 - Please call Public Works and Environmental Services at 891-9103 to check rebate program status before conducting any work.
- **Weatherization**
 - In order to be eligible for the rebate program residents must choose a company from the participating companies list located on Austin Energy's website.
