

Solar Energy Conservation Rebate

The City of Sunset Valley's Solar Energy Conservation Rebate helps residents to install solar photovoltaic systems on their homes to reduce energy costs. This rebate must be combined with the Austin Energy Rebate for solar installation. Residents should apply for the Austin Energy rebate and receive a letter of intent prior to applying for the rebate offered by Sunset Valley. Austin Energy representative may conduct on-site surveys to determine if your home is a good candidate for solar panel installation. The solar PV systems will be interconnected to Austin Energy's electrical grid.

ENERGY SAVINGS

- Solar energy systems create clean energy with no emissions.
- Using Solar energy to generate 1 kilowatt of power is equivalent to planting 50 trees.
- Reduces dependence on conventional fossil fuel based energy.
